No. 13 may be unlucky, but it proved to be the salvation of the Indianapolis team in yesterday's game with Milwaukee, as the Hoosiers piled up thirteen runs, while the Brewers made a total of ten. It was not the fault of the two umpires, Moran and Cunningham, that Milwaukee did not win, for they tried repeatedly to hand the game to Milwaukee. With two men officiating at a game it would seem that impartial decisions should be given, but this was not the case in yesterday's battle. The combination tried to wreck the Hoosiers' lead, but it was all to no use.

The Brewers did not take kindly to the cold weather, and, while Indianapolis plugged along and scored runs in bunches of four three times, and one extra tally, the were a long time striking their gait. When the visitors finally get away, after several changes in the positions had | tendance, 1,633. Score: been made and the two umpires had tried them along, they pulled hard in the last two innings and scored seven of their total

Umpire Cunningham, who officiated at the Fox out at home in the second inning after Fox had crossed the plate. Moran dropped into line soon after by giving Milwaukee the best of nearly all his decisions, and brought forth the wrath of the crowd and the Indianapolis players in the ninth by calling Dungan safe at first when he was caught by a city block. The big lead secured by the Hoosiers in the first part of the

FORD DID SLAB DUTY. Ford did slab duty for the Indianapolis team and he was very effective until the latter part of the game, when he became irritated over the decisions favoring Milwaukee and eased up a trifle. McGill was sent to the box by Manager Cantillon in the hope of winning the third game of the series, but his delivery was no puzzle to the champions. He was hit hard and the support behind him at times was very poor. Phyle did such poor work at short that he was taken out of the game in the first inning. Dunleavy being sent to short and Meredith to left. Later in the contest Mere-

dith retired, Dunleavy going back to left, Wood to short and Speer behind the bat. Hogriever and Ford were the only Indianbatters who failed to register a hit, but Horgriever scored three runs by taking advantage of two bases on balls and an error. Fox led the batting with three singles. Donahue led the stick work for the visitors.

Ford experienced little trouble in disposing of the visitors in the opening inning. In the last half Indianapolis started off with a lead of four. Hogriever walked and when Fox attempted to sacrifice. Donahue made a wild throw to second, Hogriever taking third on the error. Jones reached first on Phyle's fumble and the bags were filled. Kihm lacerated the atmosphere, but Coulter hit to left for a base, scoring Hogriever and Fox. Jones completed the circuit on Dunleavy's fumble of the hit. O'Brien reached first on Phyle's wild throw and stole second. Tamsett fanned, but Heydon hit to left for a base, scoring Coul-

ter. Ford died at first. Only three men faced Ford in the second while the Hoosiers added one in the last half. Hogriever landed on first on Dunleavey's wild throw and Fox beat out a A double steal advanced both men. lones hit a long fly to center on which Hogriever scored and Fox took third. Kihm it to Unglaub and Fox started home. The Indianapolis captain crossed the base before Wood touched him, but he was called out. Coulter went out on a fly. Milwaukee scored one run in the third. Schalfly singled, but was forced at sec-ond by McGill. Dunleavy struck out and Dungan walked. A passed ball advanced both men. Donahue's single scored Mc-

ADDED FOUR IN FOURTH. The Hoosiers batted around in the fourth and added another quartet of tallies. Hogsecond. Jones drew a ticket to first and Kihm's two-bagger scored Fox and sent Jones to third. Coulter's single sent Jones and Kihm across the plate. O'Brien was hit and Tamsett beat out an infield chance. Heydon forced Tamsett, on which Coul-

Milwaukee added a brace of tallies in the fifth. Schalfly singled and McGill beat out an infield effort. Dunleavy's scratch hit filled the bags. Dungan singled to right, Schalfly scoring and McGill being caught at the plate. Dunleavy scored on Dona-

hue's out.
The last four credited to Indianapolis came in the fifth, on a base on balls, four singles and an error at the plate. With one out in the eighth Wood walked, Hemp-Ill hit for a base and Unglaub drove the ball to right for a triple. Schalfly's out scored Unglaub. In the ninth Dungan was called safe, Donahue should have been out, but the umpire called him safe, Fox fumbled Speer's chance, and Wood hit to right for three bases. Wood scored on Hemphill's single, and the next three men were easily retired. Score:

Baseball Notes. This is ladies' day. Last game to-day of the first series with

with Cincinnati yesterday. For seven innings Ford pitched a great game It was so cold it was remarkable now well he controlled the bail. Fox was perfectly safe at the plate in the second inning and when he was called out the umpire's judgment was bad. The crowd hooted at him.

Judging from the work of Moran and Cunningham in the games here it seems it is about time for President Hickey to sign a few new umpires. . The Cornell baseball team left Ithaca on its annual Western trip Thursday. On Fri-

day the nine will play Oberlin at Oberlin. Games with Michigan at Detroit will fol-Frank Leonard, of Lynn, Mass., manager of the Columbus team, has resigned. The recent losing streak of the team is attributed by the players to dissatisfaction with Leonard's methods. Quinn will be business

manager, and Captain Bonnon field man-Stockholders of the Joliet club of the Three I. League have decided to make no further effort to continue membership, and the city will return to independent ball as in the past. The feeling prevailed that President Sexton was determined to remove the team to Springfield, no matter what was

done at Joliet. Napoleon Lajole and William Bernhard, of the Cleveland American League club, have been purged of contempt of court at Philadelphia. The players violated an injuncted granted about a year ago, restraining them from playing baseball with other than the National League club of Philadelphia. The court said they deserved pun-ishment, but as all parties had come to an agreement he would let them off. President Mautner, of the Fort Wayne first inning on a base on balls, Walker's | club, says the story that the Central | branch.

League is at all shaky is wholly false and malicious. He says there has been only one game since the season opened which did not yield the guarantee, and that was at Grand Rapids, where the grounds are too far out. He predicts the return of the Grand Rapids team to Anderson unless better grounds are secured at Grand Rapids.

The Tyfold Collar

The picture shows how the collar is cut out on each side to allow for adjusting a neck tie without springing the collar open. The collar comes close together in front, it keeps the tie in place and you don't see the cut-out part. Besides the tie is retained just over the button, which is also kept out of sight. Your summer comfort will be increased if you wear one, and you'll thank as for the style. Dealers sell them.
